

## TWO HOLD UP CIGAR STORE AT CROWDED BROADWAY CORNER

Well Dressed Pair Beat Clerk in Shop Near Circle and Rob Safe of \$870.

Despite the special police guard at the United Cigar Stores, robberies in these stores continue.

The store at Broadway and 57th Street was held up at 11 o'clock last night and robbed of \$870.

According to Jacob Franklin Mull, the clerk, the robbers were smartly dressed, carried canes and possessed discriminating tastes in tobacco. Broadway was crowded with persons returning from theatres at the time. Mull told the police that the robbers were in the store but five minutes. One handed Mull a \$100 bill in payment for \$64 worth of cigars. The clerk, not having sufficient change in the cash register, stooped to open safe.

When the door of the safe swung open, Mull was felled from behind by the canes of the two robbers. They continued to rain blow after blow upon him. They grabbed all the money in sight and fled. Mull came to in thirty minutes and reported the hold-up to the police.

## EYEBROW SHOT OFF BY MASKED MAN

Owner of Grocery Steps Out, Hold-Up Steps in and Attempts Robbery.

Antonio Savello, a grocer at White Plains, went out to telephone a friend last night, leaving Michael Vichio in the store.

A masked man with a revolver walked in and went to the cash register. He fired a shot when Vichio

shouted at him, but Vichio closed in. The bandit fired another shot, this time tearing off Vichio's eyebrow and some flesh. The sound of running feet from other parts of the building frightened the bandit, who fled without having robbed the cash register. Vichio is in the White Plains Hospital.

## STATUE SITE CAUSES ROW.

Port Chester Square Assigned for Columbus Monument Claimed by Legion.

Port Chester is heated by a dispute as to whether a permanent memorial to the village war heroes or a monument to Christopher Columbus shall be erected in Liberty Square.

A temporary lower roll stands there now, and the understanding was it would be replaced with a permanent one. But the Board of Trustees has granted permission for the Columbus Monument on the site. The Memorial Committee of the American Legion of Port Chester has been instructed to make a formal protest.

Port Chester sent between 1,100 and 1,200 men to the war. Twenty-seven of them were killed.
